Lodge Park Parent Survey – Your Voice Matters

Dear Families

I am writing to ask you to complete our Parent Survey, which is open from **2nd November to 13th November**.

We want to hear your honest views about Lodge Park Academy: what we are doing well, what could be better, and how we can work together to give your child the best possible school experience.

Your feedback is important to me and to the leadership of the Academy. It helps us understand how our decisions are experienced by children and families, recognise what is working, and identify where we need to improve. It will inform our priorities and help us make better decisions for our school community.

We are proud of the progress Lodge Park is making and ambitious for what comes next. Listening carefully to parents and carers is an essential part of sustaining that progress. Whether your experience has been positive or you feel there are things we need to address, please take this opportunity to tell us.

Please complete the survey using the link below by 13th November:

Parent Voice November 2026 – Fill in form

The more families who respond, the more representative and useful the feedback will be. Please take a few minutes to ensure your voice is heard.

Thank you for your time, your honesty and your continued support. Together, we can keep making Lodge Park a school where every child belongs, succeeds and feels proud to be.

Yours sincerely,

JKirby
