Year 11 Weekly Revision Schedule/Subject Breakdown

The subject guidance provided below will help to chunk and structure your revision and provide possible revision strategies/activities

	Exam Date(s)	WC 21st April	WC 28th April	WC 5th May	WC 12th May	WC 19th May	WC 26th May	WC 2nd June	WC 9th June
English Language	**Paper 1: 23/05/2025 Paper 2: 06/06/2025**	Paper One and Two - Section B: WRITING. Practise your sentence demarcation , using a range of punctuation to successfully structure your sentence types. Use past papers from the AQA website to help focus your planning and implementation.	Paper One - Section A: READING. Develop your understanding of the success criteria for each READING question. [1]List 4 relevant ideas, [2] analyse the language used in a prescribed section, [3] analyse the structural features across the whole text and [4] evaluate a statement based on the second-half od the text.	Paper Two: Section B - WRITING. Use subjects/contemporary news ideas from the internet or magazines to practise planning and writing arguments expressing your opinion about that topic. Focus on the text-types most common to this examination - articles, letters and speeches.	Paper One: Section B - WRITING. Use images from the internet or magazines to practise planning and writing descriptions or narratives (stories). Focus on fewer events but in more detail.	Paper One: Review the READING skills necessary for each question in 8700/1. Focus on questions [3] STRUCTURE and [4] EVALUATE the statement .	Paper Two: Develop your understanding of the success criteria for each READING question. [1] indentify 4 true statements, [2] summarise the two sources, [3] analyse the language used in a prescribed section and [4] compare the writers' perspectives in both.	Paper Two: Review the READING skills necessary for each question in 8700/2. Focus on questions [2] SUMMARY and [4] COMPARE .	
English Literature	**Paper 1: 12/05/2025 Paper 2: 20/05/2025**	Macbeth: Focus on key quotations. Develop character profiles and theme mind-maps/flashcards. Establish context (AO3) that is relevant to each. For example, the Chain of Being for references to heaven/hell and the position of men/women in a patriarchal society. Practise using extracts from the play to help focus your analysis.	A Christmas Carol: Focus on key quotations. Develop character profiles and theme mind-maps/flashcards. Establish context (AO3) that is relevant to each. For example, Malthusian theory for references to poverty, the sin of avarice and the need for charity to address social inequality in the Victorian era. Practise using extract from the novel to help focus your analysis.	An Inspector Calls: Focus on key quotations. Develop character profiles and theme mind-maps/flashcards. Establish context (AO3) that is relevant to each. For example, Priestley's socialist agenda for references to social inequality and the position of men/women in a patriarchal society in the Edwardian era. There is no extract for this question, so you must prioritise the learning of key textual references.	Anthology Poetry: Review all 15 poems to support your understanding of their key themes and features. Focus on those poetic texts that you find the most effective in linking to other poems. Use 'chunking' to help reduce each poem down to its fundamental themes. You can compare the poems based on theme and technique. Remember to focus on AO1 (argument) and AO2 (method), only including AO3 (context) if relevant.	Unseen Poetry: Find suitable poetic texts and practise analysing their themes (AO1) and methods (AO2). How does the poet present their ideas? You do not need to worry about AO3 (context) for this unit. Enjoy taking this opportunity to read a range of different poetic styles and forms. Start with BBC Bitesize, the Poetry Foundation and AQA past papers for inspiration.			
Maths	**Paper 1: 15/05/2025 Paper 2: 04/06/2025 Paper 3: 11/06/2025**	Week 1: Number Theory - Prime numbers - Factors and multiples - Fractions, decimals and percentages - Simple and compound interest - Square and cube numbers - Law of indices - Surds - Estimation of surds (H) - Error intervals - Compound errors in calculations (H) - Rounding to decimal places and significant figures - Estimation in calculations	Week 2: Algebra - Algebraic expressions - Algebraic proof - Rearranging formulae/Changing the subject - Algebraic fractions (H) - Solving equations and inequalities - Identities and coefficients - Sequences - Functions - Inverse functions (H)	Week 3: Algebra - Graphs (H: including trigonometric graphs) - Transformations of graphs (H) - Quadratic equations (H: including iterative methods) - Quadratic inequalities - Simultaneous equations (H: including one linear and one quadratic)	Week 4: Ratio, Proportion, and Rates of Change - Ratios - Proportions - Direct and inverse proportion - Rates of change - Speed, distance, and time graphs (drawing and interpretation) - Growth and decay - Metric conversions	Week 5: Geometry and Measures - Basic geometrical terms and properties - Angles - Pythagoras (H: 3D Pythagoras) - Trigonometric ratios - Sine and cosine rule (H) - Area of a triangle with sine (H) - Trigonometric functions (incl. graphs) (H) - Triangles and quadrilaterals - Circles - Circle theorems (H) - Area and perimeter - Volume and surface area - Ratio and scale factor in 2D and 3D (H) - Transformations - Constructions and loci - Vectors - Bearings	Week 6: Probability and statistics - Basic probability - Relative frequency - Theoretical probability - Combined events - Tree diagrams - Venn diagrams - Conditional probability (H) - Data collection - Averages and range - Representing data (charts and graphs) - Cumulative frequency (H) - Histograms (H) - Scatter graphs and correlation	Week 7: Review - Mixed topic practice	Week 8: Review - Mixed topic practice
Combined Science Foundation	**Biology 1: 13/05/2025 Chemistry 1: 19/05/2025 Physics 1: 22/05/2025 Biology 2: 09/06/2025 Chemistry 2: 13/06/2025 Physics 2: 16/06/2025**	To use youtube to watch AQA Trilogy combined science required practical videos to ensure you understand the practicals and are able to then write up a method for these and understand the independent, dependent and control variables relating to them. Use your 40 from 40 document in your green folder to help you with this.	Using your physics equation sheet, practice rearranging equations and conversions e.g., mm into m. Use you maths in science booklet, www.cognito.edu.org and free science lessons guys on youtube to help you.	To complete a Biology paper 1 exam and mark it , look at the mark scheme careful for the Biology key words you must include in your answers. To use www.cognito.edu.org to use videos of lessons on Biology paper 1 that you found difficult in the Biology paper 1 exam paper you attempted and marked. As well as use the questions per topic to see if you have now understood those more difficult concepts.	To complete a Chemistry paper 1 exam and mark it , look at the mark scheme careful for the Chemistry key words you must include in your answers and calculations. To use www.cognito.edu.org to use videos of lessons on Chemistry paper 1 that you found difficult in the Chemistry paper 1 exam paper you attempted and marked. As well as use the questions per topic to see if you have now understood those more difficult concepts.	To complete a Physics paper 1 exam and mark it , look at the mark scheme careful for the Physics key words you must include in your answers and calculations. To use www.cognito.edu.org to use videos of lessons on Physcis paper 1 that you found difficult in the Physics paper 1 exam paper you attempted and marked. As well as use the questions per topic to see if you have now understood those more difficult concepts.	To complete a Biology paper 2 exam and mark it , look at the mark scheme careful for the Biology key words you must include in your answers. To use www.cognito.edu.org to use videos of lessons on Biology paper 2 that you found difficult in the Biology paper 2 exam paper you attempted and marked. As well as use the questions per topic to see if you have now understood those more difficult concepts.	To complete a Chemistry paper 2 exam and mark it , look at the mark scheme careful for the Chemistry key words you must include in your answers and calculations. To use www.cognito.edu.org to use videos of lessons on Chemistry paper 2 that you found difficult in the Chemistry paper 2 exam paper you attempted and marked. History	**Paper 1: 16/05/2025** **Paper 2: 05/06/2025**	Elizabeth: Recap Hardwick Hall. Religion, Theatre, Poor and Society	Medicine: Know the people. Hippocrates, Galen, Vesalius, Pare, Hunter, Jenner, Harvey, Lister, Pasteur, Koch, Fleming, Simpson, Chadwick, Bazalgette, Snow, Ehrlich	Medicine: Link your people to time periods. Introduce factors (Government, Luck, Individuals, War, Science and Technology, Religion and Communication) and add in themes - Public Health, Disease, Surgery	Conflict + Tension: Recap Terms of the Treaty of Versailles + why Germany hated it. Recap League of Nations Structure + success in the 1920s	Conflict and Tension: Recap League of Nations failure in the 1930s. Recap Hitler's road to war in the 1930s	Democracy and Dictatorship: Recap Germany from 1871- Golden ages , Weimar Republic(1920s)	Democracy and Dictatorship: Recap Hitler's rise to power and life under the Nazis	
Geography	**Paper 1: 14/05/2025** **Paper 2: 06/06/2025** **Paper 3: 12/06/2025**	Complete weekly Seneca homework set. Revise Paper 1 Natural Hazards - why people live in areas of risk, climate change, immediate and long term responses to hazards.	Complete weekly Seneca homework. Paper 1 Living World- tropical rainforest economic activity and effects, hot desert characteristics and economic activities.	Complete weekly Seneca homework. Paper 1- UK Physical Landscapes Coasts- revise coastal management schemes aand porcesses of erosion, transportation and deposition.	Complete weekly Seneca homework. Paper 2- Urban Issues. Revise social, economic and environmental opportunities and challenges in the city of London and the city of Lagos. Revise sustainable urban living in London.	Complete weekly Seneca homework. Paper 2- Changing Economic World. Revise social, economic and environmental opportunities and challenges in the UK and Nigeria. Revise changes in where people live in the UK.	Complete weekly Seneca homework. Paper 2- Challenge of Resource Management and Food. Revise notes on UK Water, UK Energy, UK Food. Revise notes on Food case study- Rice Fish Farming.	Complete weekly Seneca homework. Paper 3- Section A. Revisit all notes on the pre-release and work booklets.	Complete weekly Seneca homework. Paper 3 Section B- Fiedlwork. Revisit all notes on Fine Shade Woods and Carding Mill Valley. Hypothesis and enquiry question, methods of data collection, methods of data presentation, conclusions of data collection and evaluation.
CNAT Sport Science	**Written paper: 22/05/2025**	Everlearner- Complete practice tasks and 'Test Yourself' tasks on unit 1- Extrinsic and Intrinsic Factors	Everlearner- Complete practice tasks and 'Test Yourself' tasks on unit 2- Warm-up and Cool-down	Everlearner- Complete practice tasks and 'Test Yourself' tasks on unit 3- Acute and Chronic Injuries	Everlearner- Complete practice tasks and 'Test Yourself' tasks on unit 4- Different Types and Causes of Sports Injuries	Everlearner- Complete practice tasks and 'Test Yourself' tasks on unit 5- Reducing risk, treatment and rehabilitaition of sports injuries and medical conditions			
Drama	**Written paper: 08/05/2025**	Complete Practice Task and Question Structure: 8 Mark Question and 12 Mark Question	Complete Practice task and Question Structure: 20 Mark Question	Complete Practice task and Question Structure: 32 Mark Question. Identify Key moments - revise the source material from the play on teams					
Music	**Written paper: 16/06/2025**	AoS 3: Rhythm of the world Memorising the key elements of each music around the world from a knowledge organiser using flashcards, matching style of music with features Music recognition excercise Instruments around the world excercise Answering questions from revision guide	AoS2: Concerto through time Memorising the key elements of each music around the world from a knowledge organiser using flashcards, matching style of music with features Music recognition excercise Instruments around the world excercise Answering questions from revision guide	AoS4 : Film Music Memorising the key elements of each music around the world from a knowledge organiser using flashcards, matching style of music with features Music recognition excercise Instruments around the world excercise Answering questions from revision guide	AoS5: Conventions of pop Memorising the key elements of each music around the world from a knowledge organiser using flashcards, matching style of music with features Music recognition excercise Instruments around the world excercise Answering questions from revision guide	All areas of studies Picking 2-3 area of studies: Memorising the key elements of each music around the world from a knowledge organiser using flashcards, matching style of music with features Music recognition excercise Instruments around the world excercise Answering questions from revision guide	All areas of studies Picking 2-3 area of studies: Memorising the key elements of each music around the world from a knowledge organiser using flashcards, matching style of music with features Music recognition excercise Instruments around the world excercise Answering questions from revision guide	All areas of studies Picking 2-3 area of studies: Memorising the key elements of each music around the world from a knowledge organiser using flashcards, matching style of music with features Music recognition excercise Instruments around the world excercise Answering questions from revision guide	All areas of studies - Picking 2-3 area of studies: Memorising the key elements of each music around the world from a knowledge organiser using flashcards, matching style of music with features Music recognition excercise Instruments around the world excercise Answering questions from revision guide
Computer Science	**Paper 1: 12/05/2025** **Paper 2: 20/05/2025**	Paper 1 - Binary Representation, Logic Gates, Hexadecimal, Networks, System Software	Paper 1 - Network Security, ASCII, UNICODE, IMAGES, SOUND	Paper 1 - CPU, System Architecture, Ethical, Legal and Environmental, Memory, Secondary Storage	Paper 2- Binary Search, Merge Sort, Linear Search, Bubble Sort Algorithms, Programming IDE's	Paper 2 - How to write an algorithm, Abstraction, Decomposition, Tracetables, Logic Errors, Syntax Errors, Suitable Test Data identifcation			

CNAT IT	**Written paper:** **19/05/2025**	TA1 Types of design tools TA2 HCI Purpose, Importance, Use, Methods TA2 Hardware and software considerations	TA3 Information and Data, Use, Storage TA3 Validation, Verification, collection methods TA3 Test data, Test types	TA4 DoS, Hacking, Malware, social engineering TA4 Impacts of attacks TA4 Prevention measures, Physical, Logical, Destruction of data TA4 Legislation - CMA, Copyright Act, DPA, FIA, H&S	TA5 Digital Communications - Types, Software, Devices, distribution channels and connectivity, demographics TA6 IoE Use and application				
Business Studies	**Paper 1:** **09/05/2025** **Paper 2:** **15/05/25**	Unit 1: Enterprise and entrepreneurship Unit 2: Spotting a business opportunity Unit 3: MAking a business effective Instruction: Read your notes / worksheets / homework / revsion guide / bbc bitesize edexcel business	Unit 4: Influences on business Unit 5: Putting an idea into practice Unit 6: Growing a business Instruction: Read your notes / worksheets / homework / revision guide / bbc bitesize edexcel business	Unit 7: Growing a business Unit 8: Marketing decisions Instruction: Read your notes / worksheets / homework / revision guide / bbc bitesize business	Unit 8: Operatinal and financial decisions Unit 9: Human resources Instructions: Read your notes / worksheets / homework / revision guide / bbc bitesize business				
WJEC Hospitality and Catering	**Written paper:** **12/06/2025**	Section 1: Hospitality and Catering Provision. Standards and Rating Employment Roles: Front and back of the house. Qualification, contract and working hours. Instruction: Notes/ Knowledge organiser/ Quizlet/ TEAMS.	Section 1: Hospitality and Catering Provision. Economic and Eviromental Impact. The Impact of New techology The Impact of Media. Instruction:Notes/ Knowledge organiser/ Quizlet/ TEAMS.	Section 2: How providers operate. Operation Requirements Equipment, Materials and dress code Admistration and documents Instruction:Notes/ Knowledge organiser/ Quizlet/ TEAMS.	Section 2: How providers operate. Meeting customer needs Customer Expectations Customer Dempgraphics Instruction:Notes/ Knowledge organiser/ Quizlet/ TEAMS.	Section 4: Food safety Workplace Laws HACCP Risk Assessments and Document Instruction:Notes/ Knowledge organiser/ Quizlet/ TEAMS.	Section 3: Health and Safety Food Hazard and Symptoms Food Intolerances Food Allergies and Food Poisoning Instruction:Notes/ Knowledge organiser/ Quizlet/ TEAMS.	Section 3: Health and Safety Preventing Food-Induced Ill-Health. Catering and Law. Role of the EHO. Instruction:Notes/ Knowledge organiser/ Quizlet/ TEAMS.	Revisited any area that you do not understand. Use Quizlet,socrative and any website who does H&C quiz. Notes: Knowledge organiser and past papers.
BTEC Performing Arts	**Component 3 performance:** **WC 21st April**	Rehearsing Group Performance and Preparing evaluation notes for log 3.	Rehearsing Group Performance and Preparing evaluation notes for log 3.	Evaluating performance, finalising log 3 notes. Practising log 3 and handing in for marking/feedback.
